► **Officers and Board of Directors**

The 2018-2019 [Officers and Directors](http://www.txpd.org/) are working hard to provide CLE events, networking opportunities, and additional avenues to grow professionally as well as advancing the paralegal profession. Many of these leaders participate in the Mentor program to protégés around the State. The PD Board and Officers look forward to hearing your feedback!

► Definition & Paralegal Standards Adopted by the State Bar of Texas Board of Directors
In 2005, the State Bar Board of Directors unanimously approved standards for the previously approved paralegal definition. The standards will assist the public in understanding the paralegals’ role in quality legal services, assist attorneys in the effective utilization of paralegals, and guide judges when awarding attorney fees. These standards
are on the PD’s and State Bar’s websites. For more information, log onto www.txpd.org/ and view under “About PD/Paralegal Definition and Standards” or at this link. The Paralegal Standards are also attached as an appendix to the Paralegal Division’s Standing Rules.

► Mentor Program
The Paralegal Division’s Mentor Program is available! You don’t need to be a student or new paralegal; if you are working in an area of law that is new to you and need a mentor in that area of law, take advantage of this wonderful benefit of membership. Please do not forget to reapply as a mentor or protégé each year. **Members can log in under “Members-Only” section on the PD website** to learn how to sign up to become a mentor or protégé of the program.
