APPENDIX A: PARALEGAL DEFINITION AND STANDARDS

PARALEGAL DIVISION STATE BAR OF TEXAS

STANDING RULES

Adopted 6/30/83

Revised through February 2018

PREAMBLE

Adopted June 13, 1987, amended April 2005

A paralegal is a person, qualified through education, training, or work experience, who is employed or retained by a lawyer, law office, governmental agency, or other entity in a capacity or function which involves the performance, under the ultimate direction and supervision of an attorney, of specifically delegated substantive legal work, which work, for the most part, requires a sufficient knowledge of legal concepts that, absent such assistant, the attorney would perform the task.

INTRODUCTION

A. AUTHORITY.

1. Although many organizations have separate constitutions and bylaws, the more common practice today is to combine these in one document as the highest body of rules of the organization and refer to it as the bylaws. The Paralegal Division of the State Bar of Texas (the "Division") has adopted Bylaws as the fundamental instrument establishing the organization and these Bylaws define the primary characteristics of the Division, the limitations on the powers of the organization, and the rights of its members. However, in order to give an organization the greatest freedom to act within its purpose, bylaws should be made no more restrictive nor more detailed in specification than necessary.

2. Standing Rules are rules which are related to the details of the administration of an organization and may be adopted or changed as any ordinary act of the organization. Generally, they are adopted individually by the governing body at any business meeting, if and when the need arises. During the course of the Division's first year of existence, the Division Board of Directors (the "Board") adopted certain Board policies to carry out the Bylaws and the purpose of the Division, and it is the expressed desire of the Board to adopt these policies and others as Standing Rules.

3. Pursuant to Article III, Section 6.a of the Bylaws, the Board of the Division hereby adopts the following Standing Rules deemed necessary to carry out the Bylaws and to serve the purpose of the Division. These Standing Rules shall govern the operation of the Division where not inconsistent with the Bylaws and may be suspended, amended, rescinded, or expanded from time to time by a majority vote of the Board members present and voting at a duly noticed meeting.

B. PURPOSE.

1. As suggested in the current edition of ***ROBERT'S RULES OF ORDER NEWLY REVISED***, if an organization as a whole meets less often than quarterly, the entire administrative authority of the organization is best left to the Board of Directors between the organization's meetings. Due to the size and geographical distribution of the Division membership, it is impractical to hold a general membership meeting more often than annually. However, the business of the Division must be

conducted on a continuous basis and these Standing Rules are intended to provide the necessary guidance to the Board, the committees, and the general membership in the day-to-day activities of the Division.

2. Although the Board has the authority to adopt, suspend, amend, rescind, or expand these Standing Rules, the members of the Board are cognizant of their capacity as representatives of the general membership. The Board hereby expresses its desire that the members of the Division contact their respective Directors with comments, questions, and suggestions with respect to these Standing Rules.

1. Membership renewals are processed online through the website and shall be managed by the Paralegal Division Coordinator. Membership expires upon the last day of the fiscal year, and renewals of membership shall require processing the renewal application and paying the appropriate fee, both as established from time to time by the Board. Any member who has not filed a renewal application and paid the appropriate membership fee prior to the beginning of the new fiscal year shall be considered delinquent and not in good standing, therefore not entitled to vote.

2. Any member processing a renewal application after July 1 of the calendar year in which such membership expired shall pay a \$25 late fee, in addition to the membership fee, at the time of application. Any member who has not processed a renewal application and paid the appropriate fee on or before July 31 of the calendar year in which such membership expired shall be deleted from the membership rolls of the Division. Reinstatement will require the submission of a new application in accordance with the requirements then in effect, except at the discretion of the Board. Any applicant who has been an Active or Associate member within the previous twelve (12) months, and is re-applying for membership must show proof of completion of a minimum of six (6) CLE hours, including one (1) hour of mandatory legal ethics obtained within the past 12 months [up to 2 hours of self-study or pro bono service are allowed in order to satisfy the minimum six (6) hour requirement] in order to be eligible for Active or Associate membership status in accordance with Standing Rule I.I.4. A \$25 fee will be assessed in order to recover any former member's online CLE records through the Paralegal Division's website. A separate \$25 fee will be assessed in order to recover any former member's online Pro Bono records through the Paralegal Division's website.

3. In the event a member has indicated a prior conviction of any felony or any misdemeanor involving theft, embezzlement, or fraudulent misappropriation of money or other property, the Paralegal Division Coordinator shall forward a copy of the renewal application to the President and provide a copy to the director for that member's district and the President-Elect. The President shall then contact the member by letter giving explanation of the individual's ineligibility to membership in the Paralegal Division pursuant to Standing Rules I.B.6, I.C.5, I.D.4, I.E.4, I.F.4, and I.G.4.

4. Renewing Active and Associate members must complete six (6) hours of substantive continuing legal education, at least one (1) hour of which must be legal ethics, by May 31 of the membership year. For purposes of this section only, the terms "Active" and "Associate" shall include any person who has been a member within the past twelve (12) months. Substantive continuing legal education completed during any membership year, in which a person was an Active or Associate Member, in excess of the minimum six (6) hour requirement for such period may be applied to the following membership year's requirement. The carryover provision applies to one (1) year only. Members are allowed no more than two (2) hours of self-study or pro bono service whether carried over from the previous year or completed during each membership year, in order to satisfy the minimum six (6) hour requirement. The one (1) hour legal ethics CLE requirement cannot be counted as a self-study hour and

must meet the criteria below for accepted CLE. Members must report their CLE through the member's online CLE records repository through the Paralegal Division's website. The Division will use the following criteria for approval of continuing education courses for credit towards mandatory CLE requirements for membership:

a. The Division will accept substantive law CLE presented or approved by the MCLE Department of the State Bar of Texas, the Texas Board of Legal Specialization, the National Association of Legal Assistants, the National Federation of Paralegal Associations, and/or presented by the Paralegal Division, local bar associations, paralegal associations, or law firms for credit towards the Paralegal Division mandatory membership renewal CLE requirement.

b. If the CLE course is not accredited by any of the above-referenced groups, the Division will accept a seminar, if it is a substantive law course offered by a qualified presenter that would qualify for approval if submitted to one of the above organizations. "Substantive Law Course" means an organized program of legal education dealing with:

- i. substantive or procedural subjects of law;
- ii. legal skills and techniques;
- iii. legal ethics and/or legal professional responsibility; or
- iv. alternative dispute resolution.

Additionally, law office management programs accredited by the State Bar of Texas will be accepted.

If the requested CLE hours are in connection with auditing or attending a substantive law class, the CLE hours allowed shall be limited to the number of semester hours (usually a three-hour course) rather than the number of clock hours attended.

A "Qualified Presenter" means an attorney, judge, or paralegal who is familiar with the topic presented, or an expert in the particular subject matter comprising the course.

c. Speaking and writing credit will be considered for approval under the same criteria as (a) and (b) above.

5. Members with extenuating circumstances who are not able to meet all the requirements for renewal of their membership may apply for a waiver of the requirements. Such extenuating circumstances may include a pro-longed medical disability, military deployment to a remote location, or some other serious hardship which would make it impossible to meet the requirements. A request for waiver of the renewal requirements should be directed to the President, the President-Elect, the PD Coordinator, and the Membership Committee Chair, and include a detailed explanation of the member's circumstances with appropriate evidence to support the request by May 31st. For example, evidence for members with medical circumstances may include a letter from a doctor, and military members should include a copy of their deployment orders. Each request will be reviewed by the Board of Directors and decided on its own merit. The decision of the Board of Directors shall be final.

6. It is each member's sole responsibility to enter and update their CLE hours in the

online PD member directory as well as maintaining their own CLE records, including keeping copies of all CLE proof of attendance certificates in order to comply efficiently should the member be audited. During a CLE audit, the member would be required to submit their CLE certificates upon request.

XII. RULES OF ORDER FOR ANNUAL MEETINGS.

A. AUTHORITY.

Amended September 1996

1. The stated parliamentary procedure which governs the Annual Meeting of the general membership of the Division is the current edition of **ROBERT'S RULES OF ORDER NEWLY REVISED** (Article VI, Section 3 of the Bylaws). However, **ROBERT'S RULES OF ORDER** also provides that an assembly is free to adopt any rules it may wish, even rules deviating from parliamentary law.

2. Article VI, Section 6.a of the Bylaws authorizes the Board to establish, adopt, and amend Standing Rules, including the right to suspend or rescind such Rules, when such are deemed necessary to carry out the Bylaws and to serve the purpose of the Division.

B. PURPOSE.

1. Rules of order for an assembly are the written rules of parliamentary procedure related to the orderly transaction of business in meetings. Ordinarily, the general parliamentary authority designated in the Bylaws governs the conduct of business at meetings, but special rules of order are sometimes necessary due to the nature of a society, the infrequency of meetings of the general membership, the amount of business to be conducted, and the limitations of time in which that business may be completed.

2. The Board is of the opinion that it is in the best interest of the Division to establish General Rules of Order for Annual Meetings of the Division, which rules will be published in the notice of Annual Meeting each year.

C. GENERAL RULES OF ORDER.

Amended April 1995, September 1996

1. The Annual Meeting of the Division shall be governed by the Division Bylaws when applicable, the current edition of **ROBERT'S RULES OF ORDER NEWLY REVISED**, these General Rules of Order, and any Special Rules of Order adopted by the assembly.

2. *Unless otherwise required by the Bylaws, **ROBERT'S RULES OF ORDER**, or these Rules, all motions shall require a simple majority vote of the members present and voting to be passed.*

a. Introduction of business, motions, and seconds to motions may be made by any active member of the Division in good standing. Any person wishing to be recognized must register with the Secretary, address the President, state his name, city of employment and District number, and the matter to which the member wishes to speak. If the subject to be addressed is a motion before the assembly, the member shall also inform the Secretary whether he is to speak for or against the motion. No member shall be permitted to speak until recognized by the President.

b. The President may limit time for debate on any subject, and no speaker shall be permitted to speak more than twice on any one subject and not more than three (3) minutes each time, except by permission of the President. Provided, however, that no member shall be permitted to speak a second time on the same subject as long as any member who has not spoken on the subject desires to do so. Two (2) timekeepers shall be appointed by the President to assist the Secretary in enforcing this rule.

c. Debate or discussion on a motion shall be limited to six (6) speakers, three (3) for the motion, including the member who made the motion if that member wishes to speak, and three (3) against the motion. The President shall let the floor alternate, as far as possible, between those favoring and those opposing the motion.

d. At the close of debate as declared by the President, the question shall be put to a vote. Voice vote shall be determined by the President unless more than a simple majority vote is required on a matter on the floor, in which event the vote shall be taken by a show of hands, division of the assembly (standing vote), or written ballot. The President shall appoint a judge and four (4) tellers to supervise and tally all votes cast in this manner, and the judge shall certify the results to the President, who shall announce the results to the assembly.

e. Should members desire to confer with others from their District before casting their votes, a recess of not more than five (5) minutes may be allowed by the President upon request of at least three (3) members from the particular District. If the members present from at least three (3) Districts desire a recess, the President may grant such a request.

f. No proxy voting shall be permitted, and no member shall be permitted to speak to any motion on behalf of other members in the speaking member's District.

14. Welfare of the Division. Time permitting, the President may recognize any members who have registered with the Secretary at Arms for the purpose of offering informal observations regarding the work of the Division pursuant to its purpose. Any member desiring to do so should consult with the President sufficiently ahead of time which this item may be called in order to determine the propriety of the matter and any time constraints.

15. Announcements. The President may make, or call upon other members to make, any necessary announcements. The placing of general announcements at this point in the order of business does not prevent the President from making an urgent announcement at any time.

16. Program. If there is to be a program of an educational nature, or a guest speaker, the program or talk will be presented before the Annual Meeting is adjourned. If, in courtesy to a guest speaker who is present, the President wishes the talk to be located at an unscheduled point within the business portion of the meeting, he may call for unanimous consent of the assembly to hear the speaker's address out of order. If there is no objection, the action is decided. If there is objection, the President may entertain a motion to Suspend the Rules for the purpose of hearing the speaker's address out of order.

17. Adjourn. The President shall entertain a motion to adjourn the Annual Meeting and upon second and simple majority vote, the meeting shall be adjourned until the next Annual Meeting of the Division.

APPENDIX A

**PARALEGAL DEFINITION AND STANDARDS ADOPTED BY
THE STATE BAR OF TEXAS**

PARALEGAL DIVISION

STATE BAR OF TEXAS

Paralegal Definition and Standards Adopted by the State Bar of Texas

In 2005, the State Bar of Texas Board of Directors, and the Paralegal Division of the State Bar of Texas, adopted a new definition for “Paralegal:”

A paralegal is a person, qualified through various combinations of education, training, or work experience, who is employed or engaged by a lawyer, law office, governmental agency, or other entity in a capacity or function which involves the performance, under the ultimate direction and supervision of a licensed attorney, of specifically delegated substantive legal work, which work, for the most part, requires a sufficient knowledge of legal principles and procedures that, absent such person, an attorney would be required to perform the task.

On April 21, 2006, the State Bar of Texas Board of Directors approved amending this definition by including the following standards, which are intended to assist the public in obtaining quality legal services, assist attorneys in their utilization of paralegals, and assist judges in determining whether paralegal work is a reimbursable cost when granting attorney fees:

A. Support for Education, Training, and Work Experience:

1. Attorneys are encouraged to promote:
 - a. paralegal attendance at continuing legal education programs;
 - b. paralegal board certification through the Texas Board of Legal Specialization (TBLS);
 - c. certification through a national paralegal organization such as the National Association of Legal Assistants (NALA) or the National Federation of Paralegal Associations (NFPA); and
 - d. membership in the Paralegal Division of the State Bar and/or local paralegal organizations.
2. In hiring paralegals and determining whether they possess the requisite education, attorneys are encouraged to consider the following:

- a. A specialty certification conferred by TBLS; or
- b. A CLA/CP certification conferred by NALA; or
- c. A PACE certification conferred by NFPA; or
- d. A bachelor's or higher degree in any field together with a minimum of one (1) year of employment experience performing substantive legal work under the direct supervision of a duly licensed attorney AND completion of 15 hours of Continuing Legal Education within that year; or
- e. A certificate of completion from an ABA-approved program of education and training for paralegals; or
- f. A certificate of completion from a paralegal program administered by any college or university accredited or approved by the Texas Higher Education Coordinating Board or its equivalent in another state.

3. Although it is desirable that an employer hire a paralegal who has received legal instruction from a formal education program, the State Bar recognizes that some paralegals are nevertheless qualified if they received their training through previous work experience. In the event an applicant does not meet the educational criteria, it is suggested that only those applicants who have obtained a minimum of four (4) years previous work experience in performing substantive legal work, as that term is defined below, be considered a paralegal.

B. Delegation of Substantive Legal Work:

"Substantive legal work" includes, but is not limited to, the following: conducting client interviews and maintaining general contact with the client; locating and interviewing witnesses; conducting investigations and statistical and documentary research; drafting documents, correspondence, and pleadings; summarizing depositions, interrogatories, and testimony; and attending executions of wills, real estate closings, depositions, court or administrative hearings, and trials with an attorney.

"Substantive legal work" does not include clerical or administrative work. Accordingly, a court may refuse to provide recovery of paralegal time for such non-substantive work. *Gill Sav. Ass'n v. Int'l Supply Co., Inc.*, 759 S.W.2d 697, 705 (Tex. App. Dallas 1988, writ denied).

C. Consideration of Ethical Obligations (See Note* below):

1. Attorney. The employing attorney has the responsibility for ensuring that the conduct of the paralegal performing the services is compatible with the professional obligations of the attorney. It also remains the obligation of the employing or supervising attorney to fully inform a client as to whether a paralegal will work on the legal matter, what the paralegal's fee will be, and whether the client will be billed for any non-substantive work performed by the paralegal.

2. Paralegal. A paralegal is prohibited from engaging in the practice of law, providing legal advice, signing pleadings, negotiating settlement agreements, soliciting legal business on behalf of an attorney, setting a legal fee, accepting a case, or advertising or contracting with members of the general public for the performance of legal functions.

*Note: a more expansive list is included in the "General Guidelines for the Utilization of the Services of Legal Assistants by Attorneys" approved by the Board of Directors of the State Bar of Texas, May 1993.
